**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a internet connected person for over 30 years. I want to see competition and welcome choice. We can only see progress with healthy competition protected.

I am an IT professional and must be connected via broadband for my maintain my livelihood.

I have used DSL in the past and it is expensive and with very poor customer service. I need competitive telephone service to help senior members of my family stay connected with the outside world.

Please do not disrupt the competition lobbied by the big telecom companies.

Regards,

Kai Chow
